Our Services

Providing quality care for end-of-life encompasses more than just addressing our patients' medical needs: It means meeting the emotional, spiritual and psychological needs of those placed in our care as well as the needs of their families.

In addition to offering a peaceful environment, nourishing food and a warm and helpful staff to serve your needs, Tender Care Hospice Pa. offers a variety of services to help our residents maximize this time of their life. Explore our services below, and be sure to reach out with any questions you may have about our offerings.

"I am truly blown away by the level of sensitivity and caring of the staff here... I can't imagine having anyone else by our sides during this difficult time. Thank you."

- Caleb M.

"Tender Care removed a huge weight off my shoulders by helping me organize arrangements after my dad passed. They gave me space and time to mourn while they handled the technicalities. I'm forever grateful."

- Sacha K.

HOSPICE CARE DELIVERED WITH COMPASSION.

Our Mission:

Tender Care Hospice Pa. will provide the highest level of compassionate care and support to our patients. We care for the entire individual, not just their illness. We value and respect that every person takes their own path during this time in their life.

Our Purpose

- To accept eligible patients to hospice care.
- To accompany patients and families throughout their difficult and sacred journey.
- To deliver quality care that includes emotional and spiritual support.
- To be committed and honor the wishes of our patients. We are there every step of the way to provide comfort during this time.
- To partner with community providers to enhance services to patients, families and employees.

Skilled Nursing Care

Our skilled nurses regularly assess our residents' needs, helping them manage their symptoms and reporting changes in health to our attending physicians. Nurses also provide education and support to family members.

Social Work

The Tender Care Hospice Pa's social-work team provides counseling and emotional/bereavement support. They can also assist with financial concerns and offer community resources.

Therapy Services

We offer physical and speech therapy services to help with comfort measures. This training includes how to use adaptive equipment, how to instruct caregivers and family on body mechanics for turning and lifting patients, plus home safety.

Spiritual Care

We proudly offer dedicated Spiritual Care Coordinators to provide spiritual and emotional support to you and your family. Our coordinators are trained from an interfaith perspective, can assist with funeral/memorial arrangements and can work with community faith leaders on your behalf as needed.

Bereavement Services

Bereavement Services can include grief counseling, support groups/educational seminars and community resources. These services will continue for at least 13 months following the death of a loved one.

Medical Support

We utilize top-notch medical equipment and supplies. We also offer medication for pain and symptom control related to terminal illness.

Hospice Aides

Our aides provide personal care and light housekeeping, as well as emotional support for our residents and their families.

Volunteer Services

Our dedicated volunteers provide supportive visits, caregiver relief, light housekeeping and errands as needed.
